## Sign up for a free DoD youth program

**Submitted by  
Drug Education for Youth**

Drug Education for Youth (DEFY) is a self-esteem building program developed by the Department of Defense (DoD) that provides kids with the tools they need to resist drugs, gangs, and alcohol. The structured curriculum offers education, skill development and physical fitness facilitated by military and DoD civilian personnel. DEFY produces kids with strong character, delivers leadership and life skills training for youth and gives them the confidence to engage in positive, healthy lifestyles. They also participate in team building activities and attend fun excursions — all at no cost to the parents.

U.S. Pacific Command hosts the DEFY program for the Pearl Harbor Region offering all of our multi-service military and DoD families a chance to enroll their children between the ages 9-12 years old in the DEFY Program for the upcoming year, starting with a free Non-residential Summer Leadership Camp beginning 7 July and ending 17 July 2009 at the Moanalua Terrace Navy Housing Community Center, 2500 Radford Drive, Honolulu, HI

## WARRIOR of the week

**By Chris Aguinaldo**  
Hickam Kukini editor

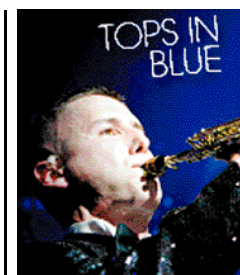

HICKAM AIR FORCE BASE — Team Hickam is proud to name SSgt. Deborah Fisher of 15 Services Squadron our Warrior of the Week!

She is NCOIC of Readiness at 15 SVS. "From day one she impressed me with her knowledge and creative thinking," said 15 SVS Commander Lt. Col. Timothy M. Telega. "Prior to her arrival, some of our

Readiness programs which include SORTS & ART needed minor adjustments." "With the upcoming ORI, it was imperative that the Readiness section delivered positive results," Lt. Col. Telega continued. "SSgt. Fisher single-handedly worked countless hours to ensure we were prepared for the 2009 ORI Inspection. The squadron's SORTS & ART program improved by 50 percent, and all deploying personnel processed with zero discrepancies during the ORI."

SSgt. Fisher is originally from Littlestown, Pa. and has been in the service for nine years, with the last nine months at Hickam. "My favorite thing about the Air Force is the feeling of being a part of something much bigger than me and being able to know that what I bring to the fight makes an impact for the future," she said. She adds that her time in the service "has seriously helped me to mature. I have seen places I would have never seen had I stayed a

civilian and had many wonderful experiences that you can't experience unless you serve in the U.S. military." In the next several years, she'd like to finish medical school and to be a doctor in the medical corps. She says she's not too picky about where she's stationed "as long as I am able to again have a joint spouse assignment with my husband, who is Active Duty in the Army." Lt. Col. Telega calls her an "outstanding asset to my squadron and I see great things in her future, whichever route she decides to take. She epitomizes the Wingman, Leader, and Warrior in our Air Force Creed and I'm proud to be her commander!"

When New Orleans Police Detective Danny Fisher stops a brilliant thief, Miles, from getting away with a multi-million-dollar heist, the thief's girlfriend is accidentally killed. After escaping from prison, the criminal mastermind enacts his revenge, taunting Danny with a series of near-impossible puzzles and tasks — 12 rounds — that Danny must somehow complete to save the life of his fiancée.

Tonight, 6 p.m.; Thursday, 7 p.m.

**Knowing**

In 1958, as part of the dedication ceremony for a new elementary school, a group of students is asked to draw pictures to be stored in a time capsule. But one mysterious girl fills her sheet of paper with rows of apparently random numbers instead. Fifty years later, a new generation of students examines the capsule's contents and the girl's cryptic message ends up in the hands of young Caleb Koestler. It is Caleb's father who makes the startling discovery that the encoded message predicts with pinpoint accuracy the dates, death tolls and coordinates of every major disaster of the past 50 years.

Starring Lara Robinson and Nicolas Cage.

Rated PG-13 (disaster sequences, disturbing images and brief strong language) 121 min.

Tonight 8:30 p.m.; Saturday, 7 p.m.

**Observe and Report**

At the Forest Ridge Mall, head of security Ronnie Bamhardt patrols his jurisdiction with an iron fist, combating skateboarders, shoplifters and the occasional unruly customer. His delusions of grandeur are put to the test when the mall is struck by a flasher. Driven to protect and serve the mall and its patrons, Ronnie seizes the opportunity to showcase his under-appreciated law enforcement talents on a grand scale, hoping his solution of this crime will earn a coveted spot at the police academy and the heart of his elusive dream girl Brandi, the hot make-up counter clerk who won't give him the time of day. But his single-minded pursuit of glory launches a turf war with the equally competitive Detective Harrison of the Conway Police, and Ronnie is confronted with the challenge of not only catching the flasher, but getting him before the real cops do.

Starring Seth Rogen and Ray Liotta.
